Amulet Books, United States, 2016. Paperback. Book Condition: New. Reprint. 210 x 140 mm. Language: English . Brand New Book. The final Origami Yoda case file from the kids at McQuarrie Middle School! After successfully fighting to save their field trip in Princess Labelmaker to the Rescue!, Tommy and the gang prepare for a well-earned day of fun and adventure in Washington, DC . . . but of course it wont be that easy! This trip to the nations capital will be full of shifting alliances and betrayals, carsickness and sugar rushes. Trouble starts even before the buses leave school, when Principal Rabbski decrees the field trip an "origami-free zone." Dwight secretly folds a Yoda from a Fruit Roll-Up, but will Fruitigami Yoda be a match for Harveys sour, hate-filled pickle of darkness?.
