OBSESSIVE-COMPULSIVE DISORDER (4TH REVISED EDITION)

Oxford University Press. Paperback. Book Condition: new. BRAND NEW, Obsessive-compulsive Disorder (4th Revised edition), Stanley J. Rachman, Padmal de Silva, Obsessive-compulsive disorder (OCD) is a relatively common psychological problem. The symptoms - which can be seriously disabling in extreme cases - can include excessive hand-washing or other cleaning rituals, repeated checking, extreme slowness and unwanted, repugnant intrusive thoughts. This book covers the nature, symptoms, causes and theories of OCD. It discusses the treatments that are available and provides valuable practical...

Reviews

This ebook is definitely not simple to begin on reading but really enjoyable to read through. This really is for all who statte that there had not been a worth reading. You may like how the author publish this ebook.

-- **Demetrius Buckridge**

This book may be really worth a read through, and a lot better than other. It is really basic but excitement inside the 50 % in the pdf. I realized this pdf from my dad and i encouraged this publication to learn.
