Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The day after my father died I had a remarkable experience. I went out for a walk and felt his presence. For the first time in my life, we began to genuinely communicate on the most fundamental level-spirit to spirit. I discovered what a truly remarkable being he was. Or should I say, is! Because I know now that there is life after death, and it makes me feel so happy to know he's still around. Does that sound weird? Well, it isn't. At least, not for me. Find out what happened to my father after he died, and what it was like for him on the other side. It's a fascinating and inspiring story. It may help you to discover the angel inside of you.
