HarperCollins Publishers Inc, United States, 2008. Paperback. Book Condition: New. 170 x 104 mm. Language: English . Brand New Book. Still reeling but rebuilding after Katrina s fury, New Orleans braces for another major hurricane heading her way. But a far greater threat is looming on the horizon--a manmade terror storm that will dwarf the destructive force of anything Mother Nature could have devised. Following a tip, agent Jack Bauer has come to the Big Easy--and watches helplessly as two prime players representing America s most dangerous Latin American adversaries fall in a surprising hail of gunfire. With winds rapidly approaching gale force, the rogue CTU operative must now follow the blood trail to a completely unexpected source. Because in less than 24 hours, a ruthless enemy hiding among friends plans to take out the already damaged Crescent City--and deliver a staggering blow from which the U.S. Satan may never recover.
