Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

EDYN: THE INFECTED

Tate Publishing Enterprises, United States, 2013. Paperback. Book Condition: New. 208 x 135 mm. Language: English . Brand New Book ***** Print on Demand *****.Edyn leaned her head closer to Adam s. Their lips were a finger s length apart. I can t let you do this. I can t let the Colony hurt you, which they will if- Adam stopped. Edyn pressed her lips against Adam s softly. She grabbed the back of Adam s neck and touched his cheek with her other hand. He kissed her back passionately. She clutched his neck slightly- I ve gotten stronger, she said. He seemed to have feelings for her-for a hideous, demonic creature who s been trying to kill him. She let go of him; he fell to the floor, as he tried to breathe again. There had been deaths all over Dallas, Texas, and many ill people. This had been going on for weeks, and it kept getting worse. Witnesses said that the people they saw die had just collapsed. Others saw people who looked as if they were walking corpses. What could be killing all those people? Five complete strangers-Dr. Adam Blade, Carter Day, Rev. Luke Snow, Scientist Serenity Hope, and Shane Night- will accidently meet at a coffee shop in Dallas, all from different backgrounds and there for one purpose: to destroy this unknown virus and to cure those infected. Or be killed first. Get ready to be blown away by the first novel in The World of Edyn Series. It s an electrifying romance, filled with action, fantasy, and suspense. Once you begin reading this page-turner, there s no going back!.
