

## Excel as Your Database

---

By Paul Cornell

Paperback. Book Condition: New. Paperback. 250 pages. Excel As Your Database guides those of you who need to manage facts and figures yet have little experience, budget, or need for a full-scale relational database management system. You'll learn how to use Excel to enter, store, and analyze your data. This book is written and organized in a way that assumes you have some familiarity with Excel, but not with databases. The book features quick-start solutions, practice exercises, troubleshooting tips, and best practices. This book covers Excel 2007 and 2003. The author clarifies not just how to use a technique, but under what realistic scenarios. The text features step-by-step, how-to procedures. Try-it-out exercises are based on realistic sample data. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
