She can only sing when her Keeper allows it. So she watches the people of the cul-de-sac, oblivious to her captivity. But she's very, very good at people watching. So good, in fact, that she can even see how they live inside their homes. She knows about Kevin's affair Kathy's hatred of him, about the Sung's homesickness for Korea, and she knows about the Sad Man. She knows everything except what he is waiting for. She waits with him, watching until the day he changes everything by laughing.
