It is an awesome ebook which i actually have at any time read through. It usually fails to charge excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.

Beach Holme Publishing, Victoria, British Columbia, Canada, 1993. Soft cover. Book Condition: New. 1st Edition. SIGNED BY THE AUTHOR. Book Description: On a field trip to Chinatown in Victoria, BC, thirteen-year-old Jasmine Steele passes through a doorway and finds herself in the Fan Tan Alley of the 1880's. There, she meets Keung, a 16-year-old boy who has recently arrived from China to search for his father, believed to be one of the thousands of Chinese working on the hazardous construction of the Canadian Pacific Railway through the infamous "Hell's Gate" of the Fraser Canyon. Jasmine joins him on his quest, but soon discovers that they are searching for more than just Keung's father-the white jade tiger, an amulet from ancient times, must also be found. Throughout the novel, Julie Lawson also weaves the story of Bright Jade (a tale that dates back to the time of the Qin Dynasty) whose spirit appears to both Jasmine and Keung in their dreams and whose mystical powers are linked to the white jade tiger. Through Bright Jade and her journeys into the past, Jasmine discovers long-hidden secrets of her own past, and comes to see her family-and herself-in a new light. These three stories from the ancient past, the historical past and the present provide a fascinating perspective on Chinese and North American culture and how both have merged to create the British Columbia of today. White Jade Tiger is the winner of the Sheila A. Egoff Children's Literature Award and is a CCBC notable. Now, it can be shared with an entire class using Anne Nilsen's thoughtful and imaginative teacher's guide which incorporates visuals, creative exercises and multi-media resources in an exploration of Chinese immigration to British Columbia. Nilsen focuses on the building of the CPR, as well as the working and...
