

## India Divided: The Lethal Mix of Free Trade, Famine and Fundamentalism in I

Filesize: 8.49 MB

### ***Reviews***

*The book is great and fantastic. It is written in straightforward words and phrases rather than difficult to understand. You won't really feel monotony at any time of your respective time (that's what catalogues are for regarding should you question me).*

Seven Stories Press,U.S., United States, 2004. Paperback. Book Condition: New. New.. 175 x 127 mm. Language: English . Brand New Book. In *India Divided*, environmental, human rights, and antiglobalization activist Vandana Shiva chronicles the internal battles of a nation that is both the world's largest democracy and a leading nuclear power. Shiva describes a society where traditional cultures collide with the new economy of globalization, and charts the course of India's war of fundamentalisms in the age of terror. From the IT centers of Bangalore to the villages of Uttar Pradesh, from the massacre at Gujarat and the popular emergence of Hindutva's narrow communalism to the decades-old battle for Kashmir, *India Divided* reveals a convergence of globalization and terrorism. Looking to the plights of India's Dalit communities and millions of poor subsistence farmers impoverished or displaced by biotechnology, seed patents, and the spate of mega-dam projects, Shiva argues that these silent killers form a local terror unmatched in devastation. In *India Divided* Shiva addresses India's most urgent threats with gravity and hope.
