

Beyond Black and White: Rethinking Race in American Politics and Society (New edition)

By Manning Marable

Verso Books. Paperback. Book Condition: new. BRAND NEW, Beyond Black and White: Rethinking Race in American Politics and Society (New edition), Manning Marable, The scourge of racism haunts the United States as persistently as it ever did. Life expectancy for black men is now below retirement age. Average black income is only 56 per cent of that earned by whites. In Washington DC, no less than 43 per cent of black men have been in prison or on parole, and this state of affairs is getting worse, not better. Black admissions to college education are falling, whilst admissions to prisons rise - blacks comprise two-thirds of the US prison population while making up only 13 per cent of the entire population. Faced with a renascent right and an enormous racist legacy, the black struggle, this book argues, has to move beyond existing strategies. The politics of black nationalism, eschewing positions within established structures in order to protect distinctive black political and cultural forms, no longer measures up to the task. But neither do inclusionist strategies which, by accepting symbolic representations of blacks within them, fail to challenge endemically racist hierarchies. What is required is a transformatist approach that retains distinctive...
