THE NEW FINANCIAL INSTRUMENTS

DOWNLOAD

John Wiley and Sons Ltd, United States, 1998. Paperback. Book Condition: New. 2nd Revised edition. 259 x 186 mm. Language: English . Brand New Book. In the beginning, there were four financial instruments: a bank deposit, a bill of exchange, a bond, and an equity. Today, as a result of a steady stream of financial innovations, the market landscape is far less sparse-and far more complex. To help you maneuver smoothly and profitably within this crowded and much-evolved arena, Julian Walmsley s New Financial Instruments has been thoroughly revised and expanded to include complete coverage of all the new financial instruments available to market practitioners. New Financial Instruments, Second Edition offers a clear, practical perspective on the shifts and changes behind today s dizzying proliferation of market tools and techniques. Its in-depth examination of both international and domestic markets probes the nature, causes, and consequences of financial innovation, as well as the ins and outs, advantages and disadvantages of the myriad products engendered by change. New Financial Instruments, Second Edition is a comprehensive, comparative guide offering concise descriptions of convertibles, warrants, preferred stocks, and other instruments. In addition, Walmsley s clear-eyed analysis distills the latest variations in areas such as barrier options, asset-backed securities, credit derivatives, structured notes, and equity derivatives. There s important information on the origin and methodology of each innovative technique, as well as essential details on the risks, rewards, and key considerations that must be understood before deciding on one instrument over another. New Financial Instruments, Second Edition takes you step-by-step through a wide range of procedures, revealing how to: Analyze risk level and return Use interest rates and currency swaps in synthetic securities Value exotic options, weighing the risks they entail against the leverage they provide The book also addresses such key topics as: Basic...
