Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

MEXICAN FOLK NARRATIVE FROM THE LOS ANGELES AREA: INTRODUCTION, NOTES, AND CLASSIFICATION

University of Texas Press, United States, 2012. Paperback. Book Condition: New. Bilingual. 229 x 152 mm. Language: Spanish . Brand New Book ***** Print on Demand *****.Urban Los Angeles is the setting in which Elaine Miller has collected her narratives from Mexican-Americans. The Mexican folk tradition, varied and richly expressive of the inner life not only of a people but also of the individual as each lives it and personalizes it, is abundantly present in the United States. Since it is in the urban centers that most Mexican-Americans have lived, this collection represents an important contribution to the study of that tradition and to the study of the changes urban life effects on traditional folklore. The collection includes sixty-two legendary narratives and twenty traditional tales. The legendary narratives deal with the virgins and saints as well as with such familiar characters as the vanishing hitchhiker, the headless horseman, and the llorona. Familiar characters appear in the traditional tales-Juan del Oso, Blancaflor, Pedro de Ordimalas, and others. Elaine Miller concludes that the traditional tales are dying out in the city because tale telling itself is not suited to the fast pace of modern urban life, and the situations and characters in the tales are not perceived by the people to be meaningfully related to the everyday challenges and concerns of that life. The legendary tales survive longer in an urban setting because, although containing fantastic elements, they are related to the beliefs and hopes of the narrator-even in the city one may be led to buried treasure on some dark night by a mysterious woman. The penchant of the informants for the fantastic in many of their tales often reflects their hopes and fears, such as their dreams of suddenly acquiring wealth or their fears of being haunted by the dead....
