HarperCollins Publishers Inc, United States, 2016. Hardback. Book Condition: New. 216 x 145 mm. Language: English . Brand New Book. From David Teague, the coauthor of *Saving Lucas Biggs*, comes a boisterous and funny novel about friendship and self-discovery that will send readers on the wackiest adventure of their lives!It s no surprise when the doghouse in Henry Cicada s backyard starts glowing. After all, it s made out of Elktonium, a luminescent green metal his mom invented. But Henry is surprised when the doghouse transports him into the imagination of a twelve-year-old girl named Lulu. So surprised, in fact, he forgets his whole plan to be just ordinary.But as Henry gets to know Lulu, he realizes she s a real girl who is in real trouble. Henry knows he has to help Lulu, but doing something so heroic, so courageous, so audacious . . . well, it would mean abandoning his quest to be ordinary once and for all.This wacky, heartfelt adventure emphasizes the importance of just being yourself . . . no matter how unordinary that may be.
