

Sugars That Heal

By Emil Mondoa

Random House USA Inc, United States, 2003. Paperback. Book Condition: New. Reprint. 201 x 132 mm. Language: English . Brand New Book. Sugars that heal it sounds like a contradiction in terms, but it s the key to one of the most important breakthroughs in recent medical science. We ve all been bombarded with warnings about the evils of consuming too much sugar. But, in fact, for our bodies to function properly, we need small amounts of eight essential sugars, only two of which--glucose and galactose--are commonly found in our limited, overprocessed diets. When all eight sugars are available, the health benefits can be breathtaking: Individuals regain their ability to fight disease, reactivate their immune systems, and are able to ward off infection. Based on cutting-edge research in the rapidly evolving science of glyconutrients, Sugars That Heal is an exciting new approach to health and disease prevention. As medical doctor and scientific researcher Emil Mondoa explains, these eight essential sugars, known as saccharides, are the basis of multicellular intelligence--the ability of cells to communicate, cohere, and work together to keep us healthy and balanced. Even tiny amounts of these sugars--or lack of them--have profound effects. In test after test conducted...

Reviews

Extensive information for book fans. It is written in basic words and never hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- **Otis Wisoky**

This publication is great. It is full of wisdom and knowledge You will not really feel monotony at any time of the time (that's what catalogs are for relating to when you ask me).
