Excerpt: .a serious cause of a large amount of sickness, yet it is surprising how owners of wells adhere to the idea that the well water is all right, and even go so far as to defy the Board to close them up. The work, however, is gradually going on, and numerous wells are being closed or disused. In some cases we have had the water analyzed, and when found bad have ordered the wells to be closed forthwith. Our Board has requested the City Council to have erected a small building on the grounds of the General and Marine Hospital, for the purpose of isolating cases of contagious diseases--other than smallpox--that occur in families or hotels, where it becomes necessary to have the patients removed, thus affording a convenient place where such patients can receive the necessary care and nursing. The city pays a...
