The Primacy of Personality in Pedagogy (Classic Reprint)

By John William Jent

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Primacy of Personality in Pedagogy The History of Education is a record of the progressive transition from mechanical memory drill to the stimulation of individual initiative. The primacy of psychology and the potency of practice in modern pedagogy demonstrates the determinism of the educational subject in the educative process. The purpose of this treatise is to prove that the basis of this determinism is the sovereignty of the Self; that is, personality is primal in pedagogy. This becomes evident as the development of individualism is traced in history. Such a survey shows that the phenomena known as Progress is the function of persons. Since education constitutes the warp into which the woof of civilization is woven Personality must be regarded as the weaver plying the shuttle in the loom of life and projecting the pattern that is preserved in the social fabric. Personality is, therefore, the key which unlocks the art as well as the science of education. A clear conception of its nature and relation to the various phases of the educative process...
