

Workbook to Accompany the Second Edition of Donald M. Ayers's English Words from Latin and Greek Elements

By Helena Dettmer, Marcia Lindgren

University of Arizona Press, United States, 2005. Paperback. Book Condition: New. Revised edition. 274 x 213 mm. Language: English . Brand New Book. For more than forty years, >English Words from Latin and Greek Elements, by Donald M. Ayers, has shown thousands of students the way to a broader vocabulary by teaching them to recognize the classical roots found in many English words. When the second edition of that text appeared in 1986, it was joined by a workbook that has proven exceptionally popular in reinforcing those vocabulary skills. Each lesson in the Workbook complements the text with a variety of exercises: short-answer, matching, multiple choice, word analysis, fill-in-the-blank, and true-false. The Workbook has now been revised to make it more relevant and useful. It features a new dictionary exercise and word analysis exercises, the replacement of true-false exercises that have caused the most difficulty for students, and the elimination of archaic words and other items that have become dated. The authors have also improved the clarity of the instructions for individual exercises, in some cases adding notes or providing sample answers. As part of the revised front matter, there is a new introduction written just for students to help...
