Createspace Independent Publishing Platform, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This book reveals the truth behind the saying There is therefore now no condemnation. The book addresses the common belief that many Christians have today about grace and how they justify their sinful behaviors by their misunderstanding of Romans 8:1. Within the book, I address in detail what Apostle Paul, the author of grace, meant when he wrote this scripture and how grace was never intended for Christians to have an excuse to continue practicing ongoing, habitual sin. After reading this book, the reader will have a deeper understanding of the meaning of There is therefore now no condemnation, and the requirements that are needed in order to not be condemned, which are 1) being in Christ Jesus, 2) not walking according to the flesh, and 3) walking according to the spirit.
