After a century of living la vida muerta, Julian Devlins closest ally casts a de-vamping spell that leaves him defanged and demoted from his hard-won place in Baltimores vampire hierarchy. Disoriented by his transformation, he cant even find his way home. The indignities dont end there. Before he can explain to the quirky consignment shop owner why hes hiding in her basement, shes punched the newly re-acquired breath out of him and smacked him upside the head with her knock-off purse. Zoe Boyds scream could have peeled paint from the wallsif she could get her heart out of her throat. Common thugs arent supposed to have a smile so panty-melting that she finds herself apologizing for scaring him. Shes also too busy managing her friends love lives to take on an ex-vampire with revamping and revenge on his mind. Until she guides him home and ends up neck deep in his world of trouble. As Zoe risks her life to give him back his death, she warms the soul Julian never thought hed own again. And when he tracks down a devilish witch who can reverse the spell, immortality without Zoe suddenly seems like cold comfort
