The Gate has served as a place to put the more inconvenient members of society. It was supposed to be a home away from home. The world moved on and The Gate was abandoned, taking on a second life as a home to derelicts and drug addicts. Twenty years later The Gate still stands, a monument to what was once an attractive destination for the kids of the county to throw rocks and bottles at partly inspired by youthful rebellion, and partly inspired by an intuitive dislike for the building, because its hard to like something that doesnt like you. Jack, Jason, Nathan, and Dani are aspiring paranormal investigators with the best store bought equipment their part-time high school jobs could afford. Their intention tonight is to investigate The Gate and see if they can find any evidence of the afterlife. They are not alone. This item ships from La Vergne, TN. Paperback.
