Not illustrated. 1880 Excerpt: .injure the value of the truths we owe to him, or of the discoveries he made in astronomy, optics, physics, and geometry. 80 with the theories and speculations which emanated from the brain of the equally great Hahnemann. If some turn out to be but chaff, which the wind catcheth and driveth away, the value of the wheat remaining is not lessened. We, who pay due homage only to his great name, should not be surprised to find some of his views to be untenable; were it otherwise, he would not have been a man; he must have been a god! The Witnesses And The Evidence.--If the authority fail us, we have yet the mass of evidence, which we are told has been accumulating from year to year for the potential efficacy of the preparations in question in the examination of this evidence I must beg my hearers to keep in mind the features of the standard we adopted at the commencement of this inquiry. The most important of the requirements there laid down are those relating to the qualifications of our witnesses. You will agree with me that, if these can be successfully impeached, their evidence will have but little value. A bitterly partisan witness before a jury on a question of fact carries no conviction with his evidence; and an incompetent, careless lawyer can bring no arguments, no precedents, which will change a previously formed opinion in the mind of a judge. But in...
