Reviews

It is great and fantastic. I actually have read and so i am certain that i am going to going to go through once again yet again in the future. I realized this ebook from my dad and i encouraged this book to find out.

(Dr. Kayden Gerlach)

Granta Publications Ltd, United Kingdom, 2011. Paperback. Book Condition: New. 2011 Spring ed.. 208 x 142 mm. Language: English . Brand New Book. Women in the twenty-first century - from Kent to Accra - still live in a world in which the balance of power remains tipped towards men. This bold, political issue of Granta will explore this dynamic from a wide variety of literary genres and perspectives. Rachel Cusk provides a startlingly honest account of a marriage, its breakdown, and the aftermath; Caroline Moorehead gives voice to women who took part in the French Resistance--and were sent to Nazi death camps for their involvement. Urvashi Butalia writes of a male-to-female transsexual in India, who discovers all the obstacles of her adopted sex; A.S. Byatt lays bare the sexism of 1960s academia. The issue features new fiction from Edwidge Danticat, Julie Otsuka, Louise Erdrich and Jeanette Winterson. In Night Thoughts , Helen Simpson hilariously sends up all the sacred pieties of the male provider. The Sex Lives of African Girls , introduces an astonishing new voice, Taiye Selasi, who spins a haunting story about the way adult sexuality can be imposed upon the young. With award-winning reportage, memoir and fiction, over the years Granta has illuminated the most complex issues of modern life through the refractory light of literature. The F Word will continue this tradition by addressing a theme many readers know has never lost its urgency.
