McClymonds well expressed the real situation recently by pointing out that high school education is not a local nor an individual matter, but a matter of preparation for citizenship in the interest of the State. The parent in San Francisco is vitally interested not only in his own son s education but as deeply in the education of somebody else s son, living in Siskiyou County, for the Siskiyou child will be the citizen of the future making laws for the San Franciscan, and it is to the interest of every citizen that every other citizen should be educated, honestly and intelligently to perform the duties of citizenship and become a producer of intellectual, industrial or commercial capital; otherwise the State must support him. This brings us to...
