Isensee Florian GmbH Jun 2011, 2011. Buch. Book Condition: Neu. 24x17x cm. Neuware - High Quality Content by WIKIPEDIA articles! Social Credit is described by its originator, C. H. Douglas, as 'the policy of a philosophy'. Douglas called his philosophy 'practical Christianity'. This philosophy is interdisciplinary in nature, encompassing the fields of economics, political science, history, accounting, and physics. The term 'Social Credit' originated from the writings of Douglas, a British engineer and originator of the Social Credit movement, (1879-1952), who wrote a book by that name in 1924. According to Douglas, the true purpose of production is consumption, and production must serve the genuine, freely expressed interests of consumers. Each citizen is to have a beneficial, not direct, inheritance in the communal capital conferred by complete and dynamic access to the fruits of industry assured by the National Dividend and Compensated Price. 302 pp. Deutsch.

Reviews

These kinds of publication is the greatest pdf available. Better then never, though i am quite late in start reading this one. Once you begin to read the book, it is extremely difficult to leave it before concluding.
