

Curricular Conversations: Play is the (Missing) Thing

Filesize: 7.08 MB

Reviews

This ebook could be worthy of a read through, and far better than other. I am quite late in start reading this one, but better then never. I realized this publication from my dad and i advised this publication to learn.

(Stefan Von)

CURRICULAR CONVERSATIONS: PLAY IS THE (MISSING) THING

Taylor Francis Ltd, United Kingdom, 2012. Paperback. Book Condition: New. New.. 226 x 150 mm. Language: English . Brand New Book. The central theme of Curricular Conversations is this: Play is the thing that brings aesthetic curricular complications near educators and their students, making the lived consequences very vivid, tangible, and possible. Viewing curriculum as genuine inquiry into what is worth knowing, rather than simply a curricular document, this book explores the significances instilled and nurtured through aesthetic play. Each chapter delves into the space a given artwork reveals. The artworks act as points of departure and/or generative vehicles, foregrounding the roles and possibilities of play within curricular conversations. Looking at relevant educational issues, traditions, and theorists through an illuminating lens, this book speaks to curriculum theorists and arts educators everywhere.
